Hi Sandy - Paula Schmittdiel will need to travel to Omaha, NE, next month to participate in the contractor selection with the Army Corps of Engineers. This is to support our work in the Animas River Watershed.

Thanks,  
Steve

Paula,

The Upper Animas Watershed RFP was sent to the MATOC contractors today (02 Feb). Proposals are due on 03 Mar. The 05 Mar date I told you earlier was based on counting from tomorrow instead of today and included the Presidents Day holiday. However, our Contracting Officer confirmed that we count from today and that federal holidays don't count in computing the solicitation period.

I need to travel for another project 03-05 Mar. I'd recommend that we aim for 06 Mar, 09 Mar, or 10 Mar to conduct the selection board, which will allow me time to write up the report the week of 09 Mar. I think you already know this, but you'll need to travel to Omaha to participate in the board - virtual selection boards aren't allowed. Please let me know if you have a date preference for the board, and I can get something on the calendar.

Thanks,  
Chris
